

FOI: 36395 DATE: 26/04/2018 SUBJECT: Planned Daytime Establishment

QUESTION

Under the Freedom of Information Act 2000, can the trust please provide details of the planned daytime establishment of registered nurses, doctors, registrars, consultants and care staff on all its acute wards on Monday 19 March 2018 and the fill rate against that level in number and percentage terms.

RESPONSE:

Please find attached an excel spreadsheet with contains information regarding nurses. Please note we are only able to provide the information for the month of March, we are unable to break the information down by day. There is currently no central database which contains information regarding doctors, consultants and registrars; this is something our HR department is currently working on updating this. We are there for unable to provide information regarding this part of your request.
