

ELECTRONIC PATIENT RECORD IS ON ITS WAY...

...ANOTHER CHANCE TO COME AND HAVE A LOOK

DEMONSTRATION DAYS PINWOOD HOUSE, SHH

25TH JANUARY (AM ONLY) & 2ND FEBRUARY (ALL DAY)

The EPR Programme Team implementing the TrakCare EPR System are now well underway with building the new system. This is a phased rollout programme with the 1st go live in Summer 2017.

This system will replace our current PAS and the majority of our current clinical systems over the next two years and will impact both clinical & administrative staff.

For those staff who have not had an opportunity to see the system or would like a reminder of what it looks like, please book into one of our system demonstration events. All sessions will be 1 hour long consisting of a 45 minute patient journey demonstration and 15 minutes for questions. Some sessions as stated below will be more clinically focused.

The sessions will be held at the following times:

WEDNESDAY 25 JANUARY 2017 (AM ONLY)

08:00 – 09:00 - Clinical Focus

09:15 – 10:15

10:30 – 11:30

THURSDAY 2 FEBRUARY 2017 (ALL DAY)

08:00 – 09:00

10:00 – 11:00

12:30 – 13:30 - Clinical Focus

13:45 – 14:45

15:00 – 16:00

17:30 – 18:30 - Clinical Focus

All sessions will be held in Lecture Theatres, Pinewood House.

To book into a demo session please email epr.project@stockport.nhs.uk or ring ext. 5151 to ensure we can accommodate you.

Alternatively, staff can just drop in, but you may be turned away if the room is full.
