

Please note the Baby Garden
(for baby burials) at Stockport Cemetery
is nearly full. There is only 1 space left as of
29th December.

If parents who lose a baby decide to have a hospital arranged burial, please phone Stockport Cemetery to check that the last remaining space is still available. Once the Baby Garden is full, any hospital arranged burials will then be held at Mill Lane Cemetery in Cheadle. Initially a baby can be buried in a beautiful area set aside for ashes burial which is made up of small individual grave spaces.. A new baby area is in the process of being built and should be ready by the end of March 2017.

Please ask parents to contact Stockport Cemetery Office for further information or to arrange to go to see Mill Lane Cemetery
